

Thank you so much for participating! You are the first one to see this platform and I appreciate your help. Below are the instructions to get access to the site, demo & beta communities, and the mailing list. I'll only send an email in the event there's a technical issue or server outage impacting the platform. Ain't nobody got time for random emails!

[Pre-Launch Beta Page](#) | [Survey Link](#) | [Beta Community](#)

Email Me – letsgettagether@gmail.com

Creating a Gettagether account

1. At the bottom, is a gold signup box – enter your email here and click 'Get Access.'
Note: You'll get an confirmation email. Click it to confirm. If you don't see it, check your Spam or Junk folders.

Request to join the demo community – Williams-Thomas Family

2. A success box with a link to the Williams-Thomas demo community signup page. Click the link to access the community.
3. Click 'Request to Join'
4. A 'Create Account' box will popup. You can enter an email and a password or you can use your Google credentials to sign-in.
5. After creating your account, a 'sending your request' message appears, then the button will change to "pending"
6. I will approve your request for access within 24 hours. You'll get a welcome to the community email once it's approved.
7. Click the [Beta Community link](#) to join – this is where you can share feedback and ask questions. I will approve this within 24 hours also.

Explore the platform as a member of the demo community

Click the link in the welcome email to check out all the cool features available as a member of a reunion community:

- a. Profile Settings – to add or change your profile photo and enter About You information
- b. Home – See a collection of highlights from the community
- c. Members – view the members of the reunion community
- d. Feed – view, post, and comment on others posts in the community
- e. Events** – View and RSVP to any events the community admins have created
- f. Lodging** – view hotel information, group codes, and link to reserve rooms
- g. Memory Board** – view photo & text memories shared by the community
- h. Legacy Wall** – view memorials to those no longer with us.
- i. Registration*/** – View registration options.
- j. Shop*/** – View and purchase items listed in the shop.

Create your own community & Explore the Owner/Admin features

1. Click the 'Create a Community' button on the left + bottom navigation menu.
2. Choose a community name, pick a template, and enter a welcome message. Click 'Create Community'.
3. Visit the Community Settings page to choose your community color, upload a community profile photo, add links to Facebook Groups, and change your welcome message if needed. You can also enable the optional Legacy Wall, Shop*, Lodging, and Registration* pages.
4. You can visit each of the pages to see the Admin features that are only available to Community Owners & Admins.
5. of the left to get the reunion organizer experience, click the create your community Go back to the JOIN page and you'll see the "Go to Community"

**Note: Registrations & checkout is disabled for the pre-launch beta phase.*

***Note: These features must be enabled in the Community Settings tab by Owner/Admin*
